Attention: Mr. Darrell Mitchell

Dear Darrell,

I am writing to express my appreciation for the recent work performed by your team. The project went extremely smooth with little disruption to our daily activities, the outcome being one of total satisfaction.

Your team members worked with the Engineering Services and Information Systems staff in a coordinated and knowledgeable manner, with compliments being extended by our staff regarding the process.

I look forward to future endeavours and projects and will not hesitate to recommend your services and expertise to others.

Thank you,

Wayne S. McLellan
Director, Engineering Services
